JOHN MARSHALL HIGH SCHOOL

CLASS OF 1978
30 YEAR REUNION
OCTOBER 11, 2008

John Marshall High School Class of 1978 Thirty-Year Reunion October 11, 2008

Dear Classmate,

Thirty years ago we were turning our tassels! Wow, how time flies and now we're growing older and hopefully wiser. Some of us are experiencing life; single, divorced, married for the first time, married for a long time, and married for the last time. Lots of us are enjoying our children and yes, some our grandchildren.

Many of us have traveled here and there, even around the world. While our lifestyles, occupations, and businesses may vary widely, we are all part of a special group of people...graduates of the JMHS Class of 1978.

Much time and preparation has gone into this booklet. We are extremely pleased with the amazing amount of responses we received from those we were able to contact. Although every effort was made to locate all our classmates, some were impossible to find. Hopefully each will keep in touch with one another for our future reunions. The following information was obtained from the returned questionnaires. The thoroughness, or lack of, cannot be accredited to the committee. We apologize if we failed to mention anything or anyone.

As we gather together to re-kindle old friendships, develop new ones, and reminisce of memories past, let us not forget those who are no longer with us. We also extend our warmest wishes to those who could not join us at this reunion.

When we reflect back to the good old days, let's not forget that these were perhaps some of the most unforgettable times of our lives. We sincerely hope you enjoy our thirty-year reunion and this memory booklet. Take a minute to relax and enjoy the reading!

We look forward to seeing everyone at the next reunion!

Sincerely,

The Reunion Committee
